2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

The Buyback is being undertaken for the following reasons:

(i) Taking into account the operational and strategic cash requirements of the Company in the medium term (including investment in growth plans and associated capital expenditures), the Company's dividend pay-out record and cash reserves, the Company considers appropriate to return surplus funds to the shareholders in an effective and efficient manner. Further, the Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares and will promote capital efficiency and thereby increasing shareholders' value and improving return on equity.

(ii) The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve a reservation of up to 15% of the Buyback Size for small shareholders. The Company believes that this reservation for small shareholders will benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders".

(iii) The Buyback gives an option to the Eligible Shareholders to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

3. MAXIMUM AMOUNT OF FUNDS REQUIRED FOR THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES AND SOURCES OF FUNDS FROM WHICH BUYBACK WILL BE FINANCED

3.1. The maximum amount required for Buyback will not exceed ₹190,00,00,000 (Rupees One hundred and Ninety Crores Only) (excluding Transaction Costs).

3.3. The funds for the implementation of the proposed Buyback will be sourced out of free reserves of the Company and any other source as may be permitted by the SEBI Buyback Regulations or the Companies Act. Borrowed funds from banks and financial institutions, if any, will be used for the Buyback.

3.4. The Company shall transfer from its free reserves and/or such sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve account.

(i) The Equity Shares of the Company are proposed to be bought back at a price of ₹350/- (Rupees Three hundred and fifty only) per Equity Share.

12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

a) As required under the SEBI Buyback Regulations, the Company has fixed Friday, December 23, 2022 as the record date ("Record Date") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.

b) As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer

form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

c) The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) the general category for all other Eligible Shareholders. As defined in Regulation 20(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares below market value, on the basis of closing price of shares on the Stock Exchanges having the highest trading volume in respect of the Equity Shares on the Record Date, of not more than ₹2,00,000 (Rupees two lakh only). For the purpose of classification of a shareholder as a Small Shareholder, the demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form are to be clubbed together.

e) In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled to the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

f) Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.

g) In accordance with Regulation 9(i) of the SEBI Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will club together the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, person trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account number based on information provided by the registrars and transfer agent (the Registrar) as per the shareholder record maintained by the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - bond" shall be treated as separate demat accounts. The demat accounts with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

h) After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

i) The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.

j) The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.

k) The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the demat account laid down in SEBI Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement date for the Buyback will be done using the mechanism notified by SEBI Circulars.

l) Income arising to the shareholders under the Buyback is exempt from income tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax laws of their respective countries. The Buyback transaction would be subject to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

m) Detailed instructions for participation in the Buyback (tender of Equity Shares and the relevant forms to be submitted) will be included in the Letter of Offer which will be sent to the Eligible Shareholders.

Unmanned check-in desks causing congestion: Govt

Airlines asked to deploy more manpower, passengers told to arrive early

DEEPAK PATIL
New Delhi, 13 December

The Ministry of Civil Aviation (MoCA) on Tuesday said check-in counters left unmanned by airlines were leading to congestion at major airports in the country.

"Airlines are therefore advised to deploy sufficient manpower at all check-in/baggage drop counters well in advance to ensure decongestion and smooth flow of passengers at airports," the MoCA's said in the letter.

A surge in air travel — airports have seen over 400,000 passengers a day for 10 consecutive days — has strained the infrastructure at the country's busiest airports such as Delhi and Mumbai and forced the MoCA to order a reduction and shifting of peak-hour flights.

"It has come to the notice of MoCA that the airline check-in counters at certain airports are found unmanned or inadequately manned during early morning hours leading to congestion at the airports, thereby causing inconvenience to the passengers," the MoCA's letter noted.

Airlines are requested to place real-time data on their social media feeds regarding waiting time at respective airports' entry gates, it added.

The development comes a day after Civil Aviation Minister Jyotiraditya Scindia visited the Delhi airport to take stock of the situation and interacted with airport and airline officials to devise ways to ease congestion. A five-point plan was put in place covering all areas — entrance, check-in area, security check, immigration. A reduction and shifting of peak-hour flights (5 am to 9 am) from terminal T3 to terminal T2 and T1 was also proposed as a remedy.

A SpiceJet spokesperson told Business Standard that in compliance with the MoCA directive, the carrier "is ensuring there is adequate staff to ensure smooth flow of passengers at all airports".

IndiGo, Go First, Vistara, Air India, and AirAsia India did not respond to queries sent by Business Standard on the letter.

On Monday night, India's largest carrier IndiGo told passengers to register at the Delhi airport three-and-a-half hours before domestic departures and carry only one piece of hand baggage for a smooth security check. Vistara asked its passengers to arrive three hours before departure for domestic as well as international flights at the Delhi airport.

On Sunday, domestic airlines flew over 477,000 passengers — the highest since the post-lockdown resumption of flights in May 2020. On Monday, this number stood at about 418,000 passengers.

The Parliamentary Standing Committee on Transport, Tourism and Culture has called Vaidh Kumar Jaisankar, chief executive officer of Delhi

International Airport (DIAL), for a meeting on Thursday.

The committee's chairman Vijaysai Reddy V told reporters on Tuesday that the panel would take up the issue of congestion at the meeting, according to PTT. GMR Group-led DIAL, which operates and manages the Delhi airport, did not respond to Business Standard's request for comments on this matter.

According to various aviation industry executives, while the number of flights handled by major Indian airports remained largely similar over the past one month, the number of passengers has increased by a significant number during the last several days amid the peak season (holidays and weddings).

According to aviation analytics company Cirium, the Delhi airport was scheduled to handle a total 1,171 flights on Tuesday. A month back, the Delhi airport handled 1,169 flights on November 13. The Mumbai airport was scheduled to handle 825 flights on Tuesday, compared with just 20 fewer flights a month ago.

Europe's cargo airline moves NCLT to buy 3 Jet Airways aircraft

ANKEER PRADIN
Mumbai, 13 December

A European cargo airline has moved the National Company Law Tribunal seeking expeditious acquisition of three Jet Airways 777-300ER aircraft.

The application is by a Malta-based Ace Aviation VIII Limited, which emerged as a successful bidder in the auction of three Boeing 777-300ER aircraft. The firm is part of a Belgium-based cargo airline and its application will be heard on Wednesday.

The application is a fresh challenge for reviving Jet as an airline union has opposed the sale of assets until employees receive provident fund (PF) and gratuity.

Jet, which shut operations in April 2019, has eleven aircraft including Boeing 737, Boeing 777 and Airbus A330 planes. The asset sale is part of the revival process and upside from the sale is to be paid to the grounded airline's creditors as a part of the resolution plan.

Earlier this year, the monitoring committee overseeing the revival invited bids for selling the aircraft. Ace Aviation emerged as a successful bidder in the auction of three Boeing 777-300ER aircraft. It paid \$4.6 million as earnest money deposit and token money deposit for the purchase of these aircraft. It further paid another \$1 million to participate in the auction of two other Boeing 777 aircraft.

The parties were supposed to execute an escrow arrangement and complete the sale process for the three planes by December 16.

But, Ace Aviation on November 11 received an email from the monitoring committee on acceptance of sale process till further notice. "We expect to resume the process within the next 60-90 days approximately," said the email.

The decision to keep the sale process in abeyance for an extended period for up to 60-90 days approximately provides no specific time

We expect to resume the process within the next 60-90 days approximately, said the email.

The decision to keep the sale process in abeyance for an extended period for up to 60-90 days approximately provides no specific time

limit to the auction and sale process and accordingly gives no assurance to the applicants...

Furthermore, extending the time-limit without any reason whatsoever is arbitrary and contrary to commercially reasonable and prudent standards.

Moreover, on each day of delay, the assets are depreciating in value....

The firm said in its application while seeking a speedy and time-bound sale of assets.

India's e-commerce market is estimated at \$50 billion in 2022, and is expected to grow to more than 25 per cent per annum to reach \$150-170 billion by 2027.

12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

a) As required under the SEBI Buyback Regulations, the Company has fixed Friday, December 23, 2022 as the record date ('Record Date') for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.

b) As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ('Letter of Offer') along with a lender offer

form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares not purchased at the Buyback.

c) The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) general category for all other Eligible Shareholders. As defined in Regulation 20(iii) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of closing price of shares on the Stock Exchanges having the highest trading volume in respect of the Equity Shares on the Record Date, of not more than ₹2,00,000 (Rupees two lakh only). For the purpose of classification of a shareholder, as a Small Shareholder, multiple demat accounts having the same permanent account number ('PAN') in case of securities held in the demat form are to be clubbed together.

e) In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company holds Equity Shares whose number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

f) Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.

g) In accordance with Regulation 9(x) of the SEBI Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/holdings do not receive a higher entitlement under the Buyback, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of names of the joint holders in the PANs of the joint shareholding shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholding, where PAN is not available, the Company will club together the equity shares held in such cases where the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the 'Registrar') as per the shareholder records from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - clearing member" or "clearing member" or "clearing member" or "clearing member" PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

h) After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter to the Eligible Shareholders who have tendered over and above their entitlement in the other category.

i) The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.

j) The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.

k) The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the order laid down in SEBI Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of orders under the Buyback will be done using the mechanism notified by SEBI Circulars.

l) Income arising to the shareholders under the Buyback is exempt from income tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax laws of their respective countries. The Buyback tendered under the Buyback is subject to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

m) Detailed instructions for participation in the Buyback (tender of Equity Shares as well as the relevant PANs) as well as the order to be included in the Letter of Offer which will be sent to the Eligible Shareholders.

कांत ने कहा कि किसी भी देश के लिए विकास लक्ष्यों को पूरे के लिए पूरे से आंकड़े अलग रखने से ही और भारत को इसका लाभ मिले।

आंकड़ों की गुणवत्ता सुनिश्चित करने के महत्त्व पर बताने के लिए कांत ने आंकड़ों को जटिल करने के सकारात्मक तौरों का जिक्र किया। उन्होंने कहा, 'सरकारी आंकड़े अपने पूरे में सत्यता प्रदान करते हैं जो अज्ञानता है। हमें उन्हें ठोस बनाना चाहिए।'

उन्होंने कहा कि कई बार आंकड़ों की गुणवत्ता भी बहुत खराब होती है और आंकड़ों की गुणवत्ता को बेहतर बनाना बहुत आवश्यक है। कांत ने कहा कि सरकारी अधिकारियों की प्रवृत्ति आंकड़ों को अपने अधिकार में, अपने तमक संश्लेषण करने की होती है, वे इसे साझा नहीं करना चाहते। उन्होंने कहा, 'हमें इस चुनौती से निपटना होगा यदि आधिकारिक क्षेत्र के लोग और शोधकर्ता आंकड़ों का विश्लेषण कर सकें और बेहतर परिणाम प्राप्त करने के लिए प्रोत्साहित करें।' उन्होंने कहा, 'आंकड़ों और सूत्रांतर के अभाव में कोई भी काम विकसित या विकासशील देश खड़े नहीं कर पाएगा।'
