Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Triveni Turbine Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Triveni Turbine Limited ('the Company') for the quarter ended 30 June 2021, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. See accompanying notes to the standalone financial results

TRIVENI TURBINE LIMITED

Notes to the standalone unaudited financial results for the quarter ended June 30, 2021

1. The Company primarily operates in a single reportable segment - Power Generating Equipment and Solutions.
2. The outbreak of Covid-19 pandemic severely impacted the world economy including India. The operations of the Company were also impacted, particularly the international business. Logistics bottleneck, restriction of international travel, and lockdown impacted operations. The Company has considered the impact of COVID-19 pandemic on its business operations and financial results based on its internal and external source of information including economic forecasts and estimates from market sources, on various elements of its standalone financial results and expected future performance of the Company. Based on its review and current indicators of future economic conditions, the Company expects to recover the carrying value of the assets and does not anticipate any impairment to these financial and non-financial assets.
3. The Company had filed a petition on June 10, 2019 under the provisions of Section 241, 242, 244 of the Companies Act (the Act) before National Company Law Tribunal, Bengaluru ("NCLT"), seeking specific reliefs to bring to an end the matters of oppression and mismanagement in the joint venture company viz. GE Triveni Ltd (GETL) by General Electric Company and its affiliates (GE). The grounds on which the Company was constrained to file the petition were certain actions of GE which were oppressive, fraudulent, prejudicial, harsh and burdensome to the interest of GETL including but not limited to lack of probity, diversion of business, violation of non-compete, conflict of interest by GE employees/nominee directors etc. Instead of submitting its objections on merits to the said Company Petition, two of GE's affiliates filed applications before the NCLT, praying to refer the dispute raised in Company Petition to arbitration. These matters are now pending adjudication.

The illegal termination of ancillary agreements with GETL and intention to terminate the JV with the Company and wilful breach of undertakings given by GE/affiliates of GE to the NCLT in relation to their obligations under aforesaid agreements, led to willful disobedience and defiance of National Company Law Appellate Tribunal (NCLAT) order dated August 27, 2019 read with the order dated February 17, 2020. Pursuant to the liberty granted by the NCLAT, the Company had filed a contempt petition before NCLT, Bengaluru on January 21, 2021 and the NCLT on April 20, 2021 has pronounced its order in favour of the Company, holding the GE/affiliates of GE therein guilty of contempt of the NCLAT orders referred above. Being aggrieved by the NCLT order, GE / affiliates of GE have filed writ petitions under Article 226 and 227 of the Constitution of India before the Honourable High Court of Karnataka at Bengaluru. There has been no stay granted by the High Court till date on the NCLT order dated April 20, 2021. These writ petitions are now pending adjudication.

DI Netherland BV, Joint Venture partner in GETL, has invoked separate arbitration proceedings before Arbitration Tribunal under the UNCITRAL Arbitration Rules, 1976 in United Kingdom and has filed a statement of claim on June 1, 2020, alleging violation of certain terms of the JV Agreement by the Company. The claims made are based on estimation and amounts are not quantified with precision. The Company firmly believes that the allegations raised are unsubstantiated, untenable, and unsustainable. The Company has submitted its Statement of Defence on March 6, 2021 with the Arbitration Tribunal. Such arbitration is in preliminary stages as the Tribunal would evaluate the defence and documents submission in the due course. Based on an internal assessment by the management in consultation with legal counsels, management has concluded that the Company has merit in such arbitration and accordingly, no provision is considered necessary in the standalone financial results.

The Company has invoked arbitration proceedings under Arbitration and Conciliation Act, 1996 ("Arbitration Act") against Nuovo Pignone S.P.A. ("GENP"), an affiliate of GE in relation to the dispute and differences relating to misappropriation of technical information of Company by GENP. An application has been submitted to the Supreme Court of India on March 1, 2021 under Section 11 of the Arbitration Act for appointing sole independent arbitrator. The said application is pending consideration before the Honourable Supreme Court.

4. During the year ended March 31, 2021, the Company had implemented a Voluntary Retirement Scheme (VRS) for Workmen and total expenditure of ₹ 1,852 lakhs for VRS had been recognised in the Statement of Profit and Loss and presented as an Exceptional Item.
5. The President has given his assent to the Code on Social Security, 2020 ("Code") in September 2020. On November 13, 2020, the ministry of Labour and Employment released draft rules for the Code. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact once the subject rules are notified and will give appropriate impact to its financial statements in the period in which the Code becomes effective.
6. The figures for the quarter ended March 31, 2021 as reported in these financial results are the balancing figures between the audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter of the relevant financial year.
7. The above unaudited standalone financial results of the Company for the quarter ended June 30, 2021 have been reviewed and recommended for adoption by the Audit Committee at their meeting held on August 11, 2021 and approved by the Board of Directors of the Company at their meeting held on August 13, 2021. The Statutory Auditors have carried out limited review of the above financial results.

Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.
